MEMORANDUM FOR THE RECORD

SUBJECT: Status Report--EAA Store

On this date the Executive Director-Comptroller discussed the report of 29 April 1969 from the Director of Personnel on the status of the EAA Store. The Executive Director cited his paper of 1967 wherein he made it plain that the EAA Store was to be managed and operated out of its own profits and he expected this action to be taken in accordance with that formula. I advised that I had in mind a briefing on the EAA Store operation to go into this matter in full detail. The Executive Director raised the question of management and supervision of the Store, the auditing of its accounts, and noted the profit of \$23,000 and the question as to why the manager could not be paid out of this profit. He further raised the question of operating the Store on a concession basis and, if this poses serious problems, then why not set up a controlling mechanism or board which would run and operate the Store on a profit basis.
